

# TENUTA COCCI GRIFONI

*Vigne di famiglia dal 1933*

## ROSATO

### *Tarà Estate*

**T***his Estate is dedicated to our younger vines and is situated in an environment of considerable value near the medieval towns of Ripatransone, Grottammare and Cossignano. This land descends into the valley of the Tronto River, in the southern Marche region, and offers large conservational areas and breathtaking scenery.*

*Scattered with deep ditches and snow-white limestone canyons, that wind 30 kilometers toward the Fiofio Stream, this “badlands” microclimate creates an ideal environment for viticulture. The cliffs provide natural shelter and rainwater and combined with the intense daytime heat and cool night temperatures this complex ecosystem helps to define our authentic heritage that is based on indigenous bio-diversity.*

#### **Marche indicazione geografica tipica Rosato**

*Bright and petal rosy pink, this wine is bright and fragrant with elegant aromas of ripe apricot and pear. Round, elegant, with lovely persistence.*

*First year of production: 2018*
